

## Activities of Students Union

Since last more than 10 years, there have been no student's union elections as the Government of M.P had totally banned this activity in the state. In autonomous colleges, however, there was made a provision for nomination of meritorious students to student union. In our college also the President and other office bearers were nominated in the year 2015-16, 2016- 17 whereas in the session 2017-18, a direct election was permitted by the state Govt. in all the Govt. and private colleges. The activities of the students union in our college have been as follows.

### Year 2015-16

Mr. Amber Nayak was nominated as the president of the college and having taken the oath; he along with his team became active and instituted several activities for the welfare of the students and college. They made significant contribution in maintaining discipline in the college. Several water coolers were installed to provide neat and clean drinking water to students.

### Year 2016-17

In this session Ms. Mala Singh was nominated as the President. She also made sincere efforts to maintain name and fame of the college. The president and her union motivated students to take part actively in sports, social gathering and other program organized time to time in the college.

### Year 2017-18

In this session student's election were conducted by the college authorities and 114 class representatives along with 4 office bearers were elected by direct and indirect voting, respectively. Ms Pooja Maravi was elected as the President, Ms Neha Tiwari as the Vice President, Mr. Shri Ram Agrawal as the Secretary and Mr. Krishna Kumar Gupta as the Joint Secretary. The whole body of the student union was very active in resolving the issues and grievances of students. The student union derived Swachchhta Campaign in the college with the help of all students including class representatives. The arrangements of water coolers, fans, furniture etc were done for students of the college, and both the girls and boys hostels. They also pushed the college authorities to arrange good furniture for students in all the classrooms. Assisting with the college administration, they organized following activities:

1. Tree plantation in college- campus and outside
2. Arrangements of books for poor students.
3. Uniform for all students.
4. Zero tolerance policy for ragging and indiscipline.
5. They also used to sit in their office and solve the day to day problems of students.
