Session 2014-15

Reasoning

With the aim of developing reasoning ability in students, the competitive Exam guidance committee organized lecture of Shri M.L. Kumaria on 29th Jan 2015. The programme was organized under the able guidance of Principal Dr. S.K. Shrivastava who motivated the students to participate in such type of programmes, and learn through these activities which are regularly organized in the college Dr. D. K. Koshta coordinated the programme successfully. In his lecture, Shri M.L. Kumaria discussed about the importance to improve reasoning aptitude so that the students can perform better in the forthcoming competitive examinations. He also said that theoretical knowledge of any subject is not sufficient to compete in the exams, the students should develop logical & reasoning aptitude. This could be possible by proper guidance and regular practice. He provided the questionnaire of reasoning also. The number of students who participated in this lecture was 28.

Session 2015-16

GD+PI

Under the guidance of Principal of the college, The competitive Exam Guidance committee of the college organized interactive session of GD and PI on 19th Jan 2016. This session was chaired by Shri M.L. Kuraria. He said that GD and PI are the major aspects for selection in any competitive exam, so utmost measures and strategies should be adopted while participating in such activities. He made few batches of students for GD, gave challenging & relevant topics about the present scenario. The students were then asked to discuss on the said topic, this activity helped the students to gain knowledge as well as imbibed leadership quality in them.

In the next session, the PI demonstration was given, students were encouraged to interact and give their best. Shri M.L. Kuraria also emphasized about body language, communication skill, and quick response during the PI. The students were very enthusiastic, and participated activity. About 50 students participated in this session.
