**ACADEMIC AUDIT REPORT: 2018-19**

Academic Audit can be understood as a scientific and systematic method of reviewing the quality of academic process in the institution. It is related with the quality assurance and enhancing the quality of academic activities in Higher Education Institutions.

The basic objectives are-

- To assess the academic performance of faculty, Department and Institution as a whole.
- To identify the style and limitations in the academic performance.

Academic audit is a best practice to be continued in any organization for faculty, department or program for better results. The purpose of an academic audit is to evaluate the education quality process of the faculty, department and program required to produce, assure and regularly improve the quality of teaching and learning.

Academic Audit is a regular feature at Government Science College, Jabalpur, M.P., External academic audit was done by visiting committee of parent university, Rani Durgawati University, Jabalpur in the session 2018-19. R.D. University high power committee also visited this college for Research Centre Extension of Various P.G. departments in the year 2018-19.

NAAC Peer team visited Govt. Science College, Jabalpur on 21-22 May 2019 and inspected/ audited all the activities of the College, especially academic activities and performance on various aspects, and accredited the College with 'A' grade. This is the only college in the whole Jabalpur Division who has been awarded 'A' grade in the Revised Accreditation Framework (Online process) of NAAC. This was the third cycle and college has been awarded 'A' grade in all the three cycles.

Apart from external audit, the Academic Council of the college and IQAC also keeps watch on academic performance of the institution. Principal, Heads of Departments regularly monitor the academic activities. Regular meetings of faculties are convened by Heads of Departments in their respective department who keeps a track on regular teaching, course completion difficulty of students in the learning process and also difficulty of teachers in teaching, if any. Principal of the college also convenes regular meetings of HODs to get feedback regarding teaching learning process and other academic activities such as invited/expert lectures, seminars, workshops, conferences etc. Research committee also exists in the college who looks after the research activities going on in the institution. Faculties are motivated to get research projects from various funding agencies and sign the collaboration /MOU with National Institutes, Research organisations of repute.
