

**VISION :**

The vision of the college is “to provide students with an environment for all round development of their mental, physical, aesthetic, social and spiritual potentials and generating attitude of integrity, honesty, fairness and tolerance, so that they give off their very best. Excellence in these areas is to be interpreted in terms of putting the skills developed in each to equip themselves for good career prospects and at the same time, remain at the service of the socially discriminated groups in our country, with a view to setting up a society where all have equal opportunities.”

**MISSION:**

“Enlightening young minds through pursuit of excellence in science education and in the process, instilling in them scientific temper i.e. inculcating an objective perception and give to their thinking societal dimensions arousing them with mean and motives to ameliorate the lives of multitude of their marginalized people.
